

CAN NETWORK LTD CODES OF PRACTICE

Including our Code of Practice on Complaint Handling and Dispute Resolution and our Code of Practice for Premium Rate Services and NTS calls

Part 1 – CAN Network Ltd Code of Practice on Complaint Handling and Dispute Resolution for Small Business Customers

Introduction to our company and services

CAN Network Ltd is an independent company that delivers communications services to business customers in the UK. While we may not provide all the component parts of our services ourselves, we do take responsibility for the services delivered to you. So we will liaise with our suppliers to ensure that any problems with their services are resolved promptly.

Purpose of this Code of Practice

This code informs you about our products, services, and customer-care policies. Our code of practice on complaint handling and dispute resolution has been approved by Ofcom, the independent regulator for the UK communications industries for the purposes of section 52 of the Communications Act 2003. This Code of Practice is published on our website at www.can-uk.net.com. Additional copies are available on request and free of charge to any small business customer. It is also available in alternative formats, (e.g. large print).

Terms and conditions

When you subscribe to a service from CAN Networks Ltd, we will send you our Terms and Conditions and ask you to sign a contract, if applicable. If you have any questions, please phone our Customer Service Team on [0845 456 7557](tel:08454567557). We will carry out a credit check as part of our assessment procedures.

Where applicable, the minimum contract term for our services is 12 months. We aim to provide services in line with our SLA targets, subject to the availability and installation of any equipment and, where appropriate,

lines to your premises. If we need to carry out a survey of your premises or lay additional cabling, we will inform you of the revised timescales as soon as we can.

Cancellation

If you decide to cancel your order or agreement before we have provided the services, you may do so without charge within three working days after your order is placed. After three working days we will charge you an administration fee as set out in your contract. If you wish to terminate your contract within the minimum term of your contract, please call our Customer Service Helpdesk on 0845 456 7557 and we will charge you an early termination fee as set out in your contract. After the minimum term you can cancel any service by calling our Customer Service Team on 0845 456 7557, giving us 1 months' notice.

Faults and repairs

Please call our Customer Service Team on 0845 456 7557 if you experience a fault with any of our services. We aim to have this investigated and repaired within 5 days.

Compensation and refund policy

Our policy is to assess each claim on a case by case basis. We aim to investigate any claims and respond within 14 working days. Any refunds that are due will be credited to the next month's invoice.

Price lists

Our pricing structure is available from our Customer Service Team on 0845 456 7557.

Billing

We will bill you monthly or as specified in your Contract.

The method of payment is agreed at the start of your contract. If you wish to change your method of payment at any time, please call our Customer Service Team.

We provide itemised bills as part of our service to you on request.

If you have difficulty paying your bill, please contact us on 0845 456 7557 and we will try to arrange a different method of payment. We will do all we can to help our small business customers to manage their bills and avoid disconnection.

If you are moving home or office

Please call our Customer Service Team on 0845 456 7557 no later than 60 days before your move date. We will amend your account and billing requirements as necessary. We will endeavour to offer you the same telephone number to minimise disruption but please note that for geographic numbers this is not always possible.

Number porting

CAN Networks Ltd recognises that keeping your existing telephone numbers may be important to you. If you move your business to us and wish to keep the number that you have with your old provider, we will use our best endeavours to arrange it if you ask us. We will work with you to ensure that the services are switched over at a convenient and appropriate time. For more information, please call our Customer Service Team on 0845 456 7557.

Directory Entries

You are entitled to a Directory Enquiry listing (including an entry in the Phone Book) for both your fixed and mobile telephone numbers. If you do want your details included, please contact our Customer Service Team on 0845 456 7557.

Complaints

We make every effort to ensure that our customers are happy with the level of service, and the products and service they receive from us. However, despite our best efforts, things can go wrong. We take customer complaints very seriously and aim to resolve them quickly and efficiently.

If you have a complaint about any part of our service, please contact our Customer Service Team on 0845 456 7557. Our advisors will ask you about your complaint and seek to resolve the problem while you are on the line. During any discussions we will protect the privacy of the information that we hold on you. To do this we may have to ask you questions to confirm that we are speaking to the right person.

You may also send your complaint to us in writing: CAN Networks Ltd, Dawson House, Matrix Business Park, Chorley, PR7 7NA.

We will try to resolve your complaint quickly and efficiently, and to keep you informed at all times. If your complaint is not resolved to your satisfaction, you can take it further within our company, and ultimately to the Directors at the above address. If we cannot resolve the problem, we will write to you to say so.

If your complaint has been outstanding for more than 8 weeks from the date when your complaint was first lodged or you have received a letter from us saying that your complaint has reached “deadlock”, then you may ask for help from The Office of the Telecommunications Ombudsman (Otel0): PO Box 730, Warrington, Cheshire, WA4 6WU Tel: 01925 430870 or 0845 050 1614 email: enquiries@otelo.org.uk, Website: www.otelo.org.uk.

OTELO is an independent organisation which is approved by Ofcom to provide an alternative dispute resolution (ADR) service. Ofcom-approved ADR services sort out disputes between communications providers and their consumer and small business customers. Their job is to investigate complaints fairly by listening to both sides of the story. They look at the facts given to them before recommending any action that may be needed to put things right.

Nuisance calls

We take the problem of nuisance calls and malicious communications very seriously. We tackle it by working closely with the police and others in the communications industry. If you have been a victim of this activity, please call the Customer Service Team on 0845 456 7557 to report the incident and for information on how to deal with it.

We encourage parents to register the mobile phones of their children, and take responsibility for all customer care enquiries.

Services for people with special needs

We are committed to helping all our customers to communicate easily. We offer the following additional services on request for customers who are older or who may have a disability, including:

- Priority access to the Customer Service Team
- Priority fault repair and assistance
- A free Directory Enquiries service for people who are unable to use the printed phone book
- Copies of bills in large print or on computer disc for customers who have difficulty reading their bill

Copies of this Code are available in larger print and other formats on request

Data protection

We comply fully with our obligations under the Data Protection Act 1998.

Part 2 – CAN Network Ltd Code of Practice for Premium Rate Services and NTS Calls

Purpose of this Code of Practice

This code informs you about our policies on providing information about Premium Rate Service (PRS) calls and on our charging policy for calls to NTS and PRS numbers.

Premium rate services

Premium rate services (PRS) are telephone numbers that offer some form of information or entertainment that is charged to your phone bill. UK-based PRS numbers are normally prefixed by “09”. 0871 is now also subject to PRS regulation. Typical services include TV votelines, mobile ringtone downloads, technical helplines, charity fund-raising and adult entertainment.

Charges for these services are added to your telephone bill. Calling a PRS number generally costs between 10 pence and £1.50 per minute, per call or per text (incl. vat). Calling these services from, for example, mobile phones, cable networks or public payphones will generally cost more than the advertised rate. Our charges for calling these services are shown in our price list, which is available on request from our Customer Services Team.

If you have a problem with PRS, we can help. We can provide advice on checking the telephone number of any PRS charges that appear on your bill and will try to help you identify the premium rate service provider. We can use call barring to restrict access to “09” numbers. Please call our Customer Service Team on 0845 456 7557 for advice on this.

You can also ask for help from PhonepayPlus (formerly ICSTIS), which is the industry-funded regulatory body for Premium Rate Services. PhonepayPlus operates a code of practice that sets out standards for the operation of PRS. You can use the PhonepayPlus website at www.phonepayplus.org.uk to check PRS numbers direct or to download a complaint form. PhonepayPlus has legal powers to require a provider of PRS to amend its service or promotional material (or both) and can also impose penalties on content service providers. For other ways to contact PhonepayPlus, see the “Useful addresses” section below.

Number translation services

Number translation services (NTS) are based on numbers that are normally pre-fixed “08”. For example, 0800 and 0808 are used to provide freephone services (some freephone services are also provided on 0500 numbers). 0844 and 0845 numbers are used for dial-up pay-as-you-go Internet access and customer service helplines. 0870 numbers are used for information services, technical helplines and telephone banking. They are also used by organisations to help them provide call-management features such as intelligent call routing and fax-to-email services.

Charges for calling services on NTS numbers are added to your telephone bill and standard prices range from free up to 5p per minute or per call (incl. vat). Calling these services from, for example, mobile phones, cable networks or public payphones will generally cost more than the advertised rate but communications providers must publish prices for calls to 0870 numbers where these are higher than for calls to geographic numbers. Our charges for calling these services are shown in our price list, which is available on request from our Customer Services Team.

If you are unhappy with the help you have received from us on a problem with PRS or NTS, please contact Alex Cliffe on 0845 456 7557 or email acliffe@elitetele.com who has responsibility for compliance with our code of practice for PRS and NTS. You may also complain using the complaints procedure set out in this code including, ultimately, referring your complaint to Otelo.

Internet diallers

If you use the Internet, it is possible for software to be placed on your computer without you knowing - using the same methods as for computer viruses. This type of software (known as Internet or rogue diallers) can then make calls to PRS and NTS numbers without your knowledge. PhonepayPlus has been given responsibility for policing this type of activity and you can contact them via www.phonepayplus.org.uk to ask

for help or to report examples of this type of abuse. For other ways to contact PhonepayPlus, see the “Useful addresses” section below. We can also help by barring calls to 09 numbers.

The Telephone Preference Service

If you don't want to get sales and marketing calls you have not requested, you can add your details to a list run by the Telephone Preference Service (TPS). If your number is on the list, it is illegal for a company to call you for marketing purposes. You can contact the Telephone Preference Service via www.tpsonline.org.uk or by telephoning 0845 070 0707.
